

ORAL SURGERY ASSOCIATES & DENTAL IMPLANT CENTERS

ARRIVING ON THE DAY OF SURGERY

Step 01

Check in with the front desk staff.

Step 02

The front desk will give you a driver's slip, collect payment, go over the consent form, and schedule a follow up appointment if needed.

Step 03

Insist your child uses the restroom before the assistant's take them back.

Step 04

An assistant will come to the front, and bring the patient back to the surgery room. The driver will wait in the waiting room for the duration of the procedure.

Step 05

An assistant will bring the patient's ride to the recovery area, and go over the post op instructions. Remember if you lose these instructions they are also on our website at www.georgia-oms.com.

Step 06

The patient and driver will stay in the recovery area until doctor dismisses patient. The assistant will then walk the patient to the car. Relax for the next couple of days!
